

Music for the Masses

No Idea is a versatile band who have been playing in and around Canberra since 2006 at venues including the The Old Canberra Inn, the Canberra Irish Club, The Rose Cottage, PJ O'Reilly's, The Weston Club, and George Harcourt Inn, as well as private functions.

No Idea is a covers band specialising in adult contemporary, acoustic music, choosing songs from a variety of genres.

Whether you want pleasant, unobtrusive background music to your dinner conversation, a range of well-known and not-so-well-known songs to listen to, or exciting rhythms to get you up and dancing, **No Idea** has the repertoire and instrumentation to suit any occasion.

With a flexible line up that includes acoustic and electric guitars, keyboards, mandolin, banjo, accordion, harmonicas, bass, drums and rich vocal harmonies, **No Idea** can tailor a setlist especially for your function. We can play small acoustic sets, or rock it up with a full PA system.

So if you have 'no idea' what sort of band to book for your next function, contact **No Idea** - we'll help you decide!
